

Thank You from the Board Chairman:

The Board of Directors and I would like to thank those of you who took time out of your busy day to vote on the purposed merger of Nemaha County Coop and Ag Partners Coop. The Patrons of NCCA and Ag Partners both voted for the merger, to combine the two companies as Ag Partners. As I have stated before, this was an important vote to move your Coop forward to better serve your future needs.

The Management from both Coops will be working very hard to have everything in place so this may be a smooth transition. For the most part, everything will be business as usual when the new Cooperative begins September 1.

Again I would like to thank you for voting.
